**Place:** Friendship Cultural Palace - 91 Tran Hung Dao street, Ha Noi

### PRODUCT DISPLAY IN EXHIBITION

We would like to introduce to our valued customers 3 new product ranges in this exhibition:

SEN Plus Low Voltage Switchboard passed full Type-test according to the latest international standard IEC 61439- 2

Control panel for factory automation with wide applications in industries

PV system with Japanese technology for optimal energy saving solutions

**HANNOVER  
MESSE**

**13 - 17 April 2015**

ANT has participated in Hannover Messe 2015 in Germany from April 13th to 17th, 2015 at CBI Pavilion, Hall 13, Booth No. F84.

Hannover Messe is the biggest Industrial exhibition in Europe. This is a good

experience for us to understand the EU's market requirements, update new technology and expand our market further more to the European market.

After the exhibition, we had a tour to visit several European companies to study their production process and discuss about the cooperation .

## ANNOUNCEMENT OF NEW OFFICE

We would like to announce that ANT has expanded to open a new office:

Location: Floor 3, City Ford Building, at 216 - 218 National Highway 13, Hiep Binh Chanh ward, Thu Duc district, Ho Chi Minh city (near Binh Trieu Bridge).

The new office will operate officially by the 1st of June 2015.

We hope to continuously receive your kind support in the future
