To: Our valued customers,

Subject: Announcement of Coating Specification Change

Dear our valued customers,

First of all, We, ANT Switchboards, would like to convey our sincere gratitude to all our customers for your cooperation and trust for our products and services over the last 10 years.

To maintain the highest customer satisfaction, ANT invested in and successfully operated the powder coat painting line with the modern technology to provide the highest product quality.

And to continuously provide to our customers the products with higher quality and longer guarantee time, ANT has changed some technical specification of the coating as following:

1. ANT will stop providing the painting with high gloss 65 ~ 100% (gloss/ high gloss, EN ISO 2813 (60° <<)) since March 1st, 2016.

2. ANT instead will apply the semi-gloss painting 40 ~ 60% (semi-gloss, 40 ~ 60%, EN ISO 2813 (60° <<)).

3. Our available paint colors:

- RAL 7032 (Pepple Grey color), semi-gloss, smooth or texture
- RAL 7035 (Light Grey color), semi-gloss, smooth or texture
- RAL 9002 (Grey White color), semi-gloss, smooth
- MUNSELL 5Y7/1, semi-gloss, smooth
- Oxyplast 4001, semi-gloss, smooth
- Oxyplast 4002, semi-gloss, smooth

Please do not hesitate to contact us to receive the painted color samples or go to the following links to down load the color table for your reference:

<http://www.ralcolor.com/>

http://www.myperfectcolor.com/en/color/100689_Munsell-5y-71#prettyPhoto

http://www.oxyplastvietnam.com/SP_BMSTD07.htm?ckattempt=1

In the case that you would like to order the gloss paint for current projects, please inform us 6 weeks in advance.

4. Coating guarantee time increase: ANT commits the guarantee time of the coating for our products (switchboards, cable racks and metal parts) up to 10 years for both indoor and outdoor conditions, including urban and industrial atmosphere, moderate sulphur dioxide and production areas with high humidity (C3 environment according to ISO 12944).

5. For the projects at chemical and coastal environment with high corrosion condition (C4 environment according to ISO 12944), ANT provides the 2-layer special coating with the guarantee time up to 15 years. Please contact us for detail information.

We hope to continuously receive your support and cooperation!

Thank you very much!

Sincerely yours,

Lâm Thị Anh Thy
Director.
